

SURREY COUNTY COUNCIL

For information, we have had several meetings with Surrey CC regarding The Horseshoe and making the exit from the youth centre a one-way system. It is interesting to note that The Horseshoe comes under the control of Surrey CC and not Reigate and Banstead Council. There are signs outside the library and car park stating Surrey control.

The Orchard entrance boundary is not clear but was assumed to be back edge of pavement in The Horseshoe, thus making the area of tarmac paving in front of the granite setts our responsibility.
